

The Best of Central Europe in One Great Journey

Our group will have tours to Vienna, Bratislava and Budapest along with some of the best pheasant hunting in all of Europe. Trip is limited to ten hunters and their companions.

This is your chance to take a vacation where much of the entire trip is already planned from the time you arrive until you depart. It's a chance to meet and enjoy the company of a small group in one of the most beautiful and cultural settings in Europe. This is a new offering from Trek and we think it may be one of our best as just the right amount of your time is accounted for and the itinerary flows wonderfully for a trip that includes visits to three different countries. Trek owners Milton and Cara Hanburry have put their seal of approval on this one and will act as escorts and hosts along with outfitter Ben Mekie. We invite you to join us for what will be a great journey
